Sektörel Fuarcılık is a group company of TG Expo Inc.

Built on 30 Years of Experience. Powering the Energy Value Chain.

- ICCI 2027 (Jan 20-22, 2027) marks the **30th anniversary** of Türkiye's longest-running and the region's leading energy fair & conference.
- Under **"Leading the Future of Energy"** motto, ICCI brings together decision-makers, tech providers, EPC's, investors, and public stakeholders.
- **A high-impact trade hub** for business development, partnerships, and know-how exchange.
- 3-day conference **covering decarbonization, efficiency, digitalization, grids, storage, and emerging tech.**
- Strong international participation reinforces ICCI as a **regional hub for energy dialogue and trade.**

Experiences across 30 years

“

Steven Fulleylove

Marketing Director, Europe–Africa–Middle East | Mobil Oil Türkiye
ICCI 2025

“I’m at ICCI 2025 to celebrate Mobil Oil’s presence in Türkiye and to share our enthusiasm for the energy sector. We’re unveiling new product launches, and the interest at our stand has been outstanding. The energy on the show floor is inspiring. With more than 15 years of operations in Türkiye, we’re excited to return next year with even deeper customer and marketing insights.”

”

“

Ivana Zerec

Consul General of the Republic of Croatia, Istanbul
ICCI 2025

“ICCI is a very important platform for all the energy experts. I am very proud that this year during the 29th edition of ICCI, we inaugurated the energy diplomacy roundtable. We had speakers from Azerbaijan, Australia, Denmark, and Croatia, which I was proudly representing. For the first time, we underlined the importance of energy security, collaboration and regional cooperation for energy security as well as the importance of the diversification of energy routes and energy sources.”

”

“

Thierry Hoppe

Consul General of Denmark, Istanbul
ICCI 2025

“The Consulate General of Denmark has been a long-standing supporter of ICCI, and I make it a point to attend every year. I’m delighted to be here again—this time to contribute to a panel on global energy security and Denmark’s energy strategy. We would be very pleased to see even more Danish companies joining the event in the years ahead.”

”

Experiences across 30 years

“

Neslihan Tok

Socar Türkiye Communications and Sustainability Group Manager
ICCI 2023

“This is an extremely comprehensive event where the heart of the energy sector beats. It is already being held for the 27th time this year. I recommend that anyone interested in discussing the past, present, and future of energy should attend on the 2nd and 3rd days as well. It's a great platform.”

”

“

İzzet Alagöz

General Manager of EÜAŞ / Electricity Generation Joint Stock Company
ICCI 2023

“The ICCI Fair has left positive marks within the industry throughout the years. I am one of the believers that these should continue to increase. Therefore, I am excited to participate in every ICCI Fair, and I will continue to do so for as long as I live.”

”

“

İskender Kökey

TÜREB, Secretary General
ICCI 2023

“ICCI is an event that we have been excitedly attending since the first day of the industry, bringing the industry together. We are extremely happy to be together again in 2023. Here, we had the opportunity to come together with our industry stakeholders, discuss our common problems, listen to any new news together, and evaluate them. As every year, ICCI did its part this year as well, and we are here with great pleasure.”
